

Policy Jacket – Request in RamQuest

Learn how to request a **Policy Jacket** via Closing Market™ using the AgentNet Integration.

1. Select **Jacket** in the **Product** dropdown list in the **Closing Market Services** window

Product:

Please Select
Please Select
BackTitle
Closing Protection Letter
Jacket
Rates And Fees
SDN Search
Cancel File

2. Select the desired option in the **Policy Type** dropdown list

Policy Type:

--- Select ---
--- Select ---
ALTA Expanded Cov Res Loan Policy (4.0/5.0) (4th Gen. EAGLE) (Rev. 7-26-10)
ALTA Homeowners Policy(4th Gen. EAGLE) (Rev. 2-3-10)
ALTA Loan Policy (6-17-06)

NOTE: For simultaneous issues, click [Stage Policy](#) to add additional policies. Continue to select **Policy Type** for simultaneous issues:

Staged Jackets

Policy Type	Loan	Amount	Actions
ALTA Short Form Res Loan Policy (Rev. 12-3-12)(A&B)	9798458 - Dairy Ashrod Lending LLC	20,000.00	Edit Remove

Select Policy Type

Policy Type: --- Select ---

3. Based on **Policy Type** selection, enter **Additional Policy, Property and Loan Information**

Additional Policy, Property and Loan Information

Loan 9798458 - Dairy Ashrod Lending LLC

☒ Include Agent Address **Grantee** Billy Buyer

Loan Number 9798458 **Policy Amount** 20,000.00

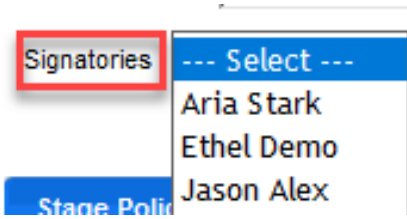

Premium **Date Of Policy**

Signatories --- Select ---

4. If applicable to the **Policy Type** selection, choose the appropriate **Authorized Signatory** from the **Signatories** dropdown

NOTE: If only one Signatory is available, it will become the default option.

NOTE: Authorized eSignatures must be setup in AgentNet in order to have options appear in the Signatories dropdown menu. Go to [Manage eSignatures](#) job aid on the User Guides tab in AgentNet for detailed instructions.

5. Click [Order Jacket](#)
6. Click [Continue](#) to respond to the confirmation that the order is successfully processed

NOTE: The **Jacket** is added to **File Scan Plus**, and the **Policy #** is imported into your file in **Complete Closing Enterprise**.
