

Job Aid: How to View Policy Uploads

The purpose of this document is to show you how to view a policy upload.

1. After accessing the **AgentNet® Login** page, point to *My AgentNet*
2. Click *My Policy Upload*

NOTE: The **Actions** column contains a **View** and a **Delete** link for each **Policy**.

3. Click **View** for the **Policy** you want to view

Status	Action
Uploaded	3 View Delete
Uploaded	View Delete

NOTE: The **Policy** displays, enabling you to print or save the file to another location.

4. Click **×** to close the **Document** view
